(a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:

(i) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or

(ii) Result from any work performed by the employee for his employer.

(b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable.

PROPRIETARY INFORMATION AND INVENTIONS AGREEMENT

The following memorializes the understanding of the parties and confirms an agreement between me (Sanjay Mittal) and Selectica, Inc., a California corporation (the "Company"), entered to be effective as of the first date of my employment by Company, which has been and remains a material part of the consideration for my employment by Company.

1. I have not entered into, and I agree I will not enter into, any agreement either written or oral in conflict with this Agreement or my employment with Company. I will not violate any agreement with or rights of any third party or, except as expressly authorized by Company in writing hereafter, use or disclose my own or any third party's confidential information or intellectual property when acting within the scope of my employment or otherwise on behalf of Company. Further, I have not retained anything containing any confidential information of a prior employer or other third party, whether or not created by me.

2. Company shall own all right, title and interest (including patent rights, copyrights, trade secret rights, mask work rights and all other intellectual property rights of any sort throughout the world) relating to any and all inventions (whether or not patentable), works of authorship, mask works, designs, know-how, ideas and information made or conceived or reduced to practice, in whole or in part, by me during the term of my employment with Company to and only to the fullest extent allowed by California Labor Code Section 2870 (which is attached as Appendix A) (collectively "Inventions") and I will promptly disclose all Inventions to Company. I hereby make all assignments necessary to accomplish the foregoing. I shall further assist Company, at Company's expense, to further evidence, record and perfect such assignments, and to perfect, obtain, maintain, enforce, and defend any rights specified to be so owned or assigned. I hereby irrevocably designate and appoint Company as its agents and attorneys-in-fact to act for and in my behalf to execute and file any document and to do all other lawfully permitted acts to further the purposes of the foregoing with the same legal force and effect as if executed by me. If I wish to clarify that something created by me prior to my employment that relates to Company's actual or proposed business is not within the scope of this Agreement, I have listed it on Appendix B. If I use or (except pursuant to this Section 2) disclose my own or any third party's confidential information or intellectual property when acting within the scope of my employment or otherwise on behalf of Company, Company will have and I hereby grant Company a perpetual, irrevocable, worldwide royalty-free, non-exclusive, sublicensable right and license to exploit and exercise all such confidential information and intellectual property rights.

3. To the extent allowed by law, paragraph 2 includes all rights of paternity, integrity, disclosure and withdrawal and any other rights that may be known as or referred to as "moral rights," "artist's rights," "droit moral," or the like (collectively "Moral Rights"). To the extent I retain any such Moral Rights under applicable law, I hereby ratify and consent to any action that may be taken with respect to such Moral Rights by or authorized by Company and agree not to assert any Moral Rights with respect thereto. I will confirm any such ratifications, consents and agreements from time to time as requested by Company.

4. I agree that all Inventions and all other business, technical and financial information (including, without limitation, the identity of and information relating to customers or employees) I develop, learn or obtain during the term of my employment that relate to Company or the business or demonstrably anticipated business of Company or that are received by or for Company in confidence, constitute "Proprietary Information." I will hold in confidence and not disclose or, except within the scope of my employment, use any Proprietary Information. However, I shall not be obligated under this paragraph with respect to information I can document is or becomes readily publicly available without restriction through no fault of mine. Upon termination of my employment, I will promptly return to Company all items containing or embodying Proprietary Information (including all copies), except that I may keep my personal copies of (i) my compensation records, (ii) materials distributed to shareholders generally and (iii) this Agreement.

5. Until one year after the term of my employment, I will not encourage or solicit any employee or consultant of Company to leave Company for any reason (except for the bona fide firing of Company personnel within the scope of my employment).

6. I agree that during the term of my employment with Company (whether or not during business hours), I will not engage in any activity that is in any way competitive with the business or demonstrably anticipated business of Company, and I will not assist any other person or organization in competing or in preparing to compete with any business or demonstrably anticipated business of Company.

7. I agree that this Agreement is not an employment contract for any particular term and that I have the right to resign and Company has the right to terminate my employment at will, at any time, for any or no reason, with or without cause. In addition, this Agreement does not purport to set forth all of the terms and conditions of my employment, and, as an employee of Company, I have obligations to Company which are not set forth in this Agreement. However, the terms of this Agreement govern over any inconsistent terms and can only be changed by a subsequent written agreement signed by the President of Company.

8. I agree that my obligations under paragraphs 2, 3, 4 and 5 of this Agreement shall continue in effect after termination of my employment, regardless of the reason or reasons for termination, and whether such termination is voluntary or involuntary on my part, and that Company is entitled to communicate my obligations under this Agreement to any future employer or potential employer of mine. My obligations under paragraphs 2, 3 and 4 also shall be binding upon my heirs, executors, assigns, and administrators and shall inure to the benefit of Company, its subsidiaries, successors and assigns.

9. Any dispute in the meaning, effect or validity of this Agreement shall be resolved in accordance with the laws of the State of California without regard to the conflict of laws provisions thereof. I further agree that if one or more provisions of this Agreement are held to be illegal or unenforceable under applicable California law, such illegal or unenforceable portion(s) shall be limited or excluded from this Agreement to the minimum extent required so that this Agreement shall otherwise remain in full force and effect and enforceable in accordance with its terms. I also understand that any breach of this Agreement will cause irreparable harm to

Company for which damages would not be a adequate remedy, and, therefore, Company will be entitled to injunctive relief with respect thereto in addition to any other remedies.

10. I HAVE READ THIS AGREEMENT CAREFULLY AND I UNDERSTAND AND ACCEPT THE OBLIGATIONS WHICH IT IMPOSES UPON ME WITHOUT RESERVATION. NO PROMISES OR REPRESENTATIONS HAVE BEEN MADE TO ME TO INDUCE ME TO SIGN THIS AGREEMENT. I SIGN THIS AGREEMENT VOLUNTARILY AND FREELY, IN DUPLICATE, WITH THE UNDERSTANDING THAT ONE COUNTERPART WILL BE RETAINED BY COMPANY AND THE OTHER COUNTERPART WILL BE RETAINED BY ME.

5.1. Organization of Seller; Authority. Seller is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware. As of their respective filing dates, the SEC Documents complied or will comply in all material respects with the requirements of the Exchange Act of 1934, as amended or the Securities Act of 1933, as amended, as applicable, and none of the SEC Documents contained or will contain any untrue statement of a material fact or omitted or will omit to state a material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading, as of their respective filing dates, except to the extent corrected by another of the SEC Documents filed with the SEC prior to the Closing Date.

5.8. Title to Acquired Assets. Seller is the lawful owner of, and has the right to use, all of the Acquired Assets, and, has or will have, on or prior to the Closing, the full right to sell, convey, transfer, assign and deliver the Acquired Assets, without the need to obtain the consent or approval of any third party. (a) Schedule 5.9(a) hereto contains a true and complete list of all Selectica Intellectual Property (as defined in Section 11 hereof) owned or licensed by Seller, including the jurisdictions in which such Selectica Intellectual Property has been issued or registered or in which any such application for such issuance or registration has been filed. The Seller has complied in all material respects with all requirements of the United States and foreign patent trademark and copyright offices in or to which the Seller has filed a patent, copyright or trademark application or applicable governmental bodies to maintain and protect the Patents, Trademarks and Copyrights (if any) listed on Schedule 5.9(a), including payment of any and all required registration and/or maintenance fees to such offices or agencies. All such Patents, Trademarks and Copyrights registered in the name of Seller are valid, enforceable and subsisting, subject to orders issued pursuant to bankruptcy proceedings or other equitable remedies.

(b) Except for Third Party Materials included in the Selectica Intellectual Property for which the Seller has valid licenses which are disclosed in Schedule 5.9(c)(ii), (i) the Seller is the sole and exclusive owner, with all right, title and interest in and to, all of the Selectica Intellectual Property, free and clear of any Encumbrances; (ii) except for rights of licensees granted by Seller pursuant to the Client License Agreements the Seller has not granted any right to the Use of (A) the Selectica Intellectual Property, and (B) the material covered by the Intellectual Property Rights included in the Selectica Intellectual Property; and (iii) the Seller is not contractually obligated to pay any compensation to any Person in respect of the Selectica Intellectual Property. Except for the non-transferable software set forth on Schedule 5.9(b), none of the rights of the Seller in and to the Selectica Intellectual Property is subject to any agreement whereby those rights may not be transferable pursuant to this Agreement. Except for the Excluded Software and the Configuration Platform, the Selectica Intellectual Property (including the non-transferable Third Party Materials set forth on Schedule 5.9(b)) constitutes all of the proprietary rights necessary for the Use of the eInsurance Business as presently conducted.

(c) To the knowledge of the Seller, there is no unauthorized use or disclosure of, infringement or misappropriation of any of the Selectica Intellectual Property by any third party, employee or former employee.

(i) As of the date of this Agreement, the Seller has not (A) been named in any proceeding as to which it has been served with process which involves (1) a claim of infringement or misappropriation of any Intellectual Property Rights of any other Person with regard to the Acquired Assets or, (2) a breach of any obligations of any kind to any other Person relating in any way to any Selectica Intellectual Property; (B) received any notice alleging any such claim of infringement, misappropriation or breach with regard to the Acquired Assets; or

(C) received any other notice of any adverse claim against or relating to any Selectica Intellectual Property, including but not limited to claims of invalidity, co-authorship, co-inventorship or co-ownership of the Selectica Intellectual Property. The Seller has delivered to the Buyer correct and complete copies of any such proceedings or written notices, if applicable. To the Seller's knowledge, the authorized Use of the Selectica Intellectual Property does not currently infringe, and has not infringed, any Intellectual Property Rights of any other Person and did not constitute a breach of any obligation of the Seller of any kind to any Person. Except as otherwise provided in the Client License Agreements, the Seller has never agreed to indemnify any Person for or against any interference, infringement, misappropriation, or other conflict with respect to any Selectica Intellectual Property. The Seller has not entered into any covenant not to compete or any contract limiting or purporting to limit the ability of the Seller, with respect to the Selectica Intellectual Property, (a) to exploit fully any Selectica Intellectual Property or (b) to transact business in any market or geographical area or with any Person.

(ii) Schedule 5.9(c)(ii) lists (a) all licenses, sublicenses and other agreements pursuant to which the Seller is authorized to Use any Third Party Materials. Schedule 5.9(c)(ii) also provides a brief description of any royalty or payment obligations for any Third Party Materials. Except for the Freely Available Software, the foregoing shall not apply to any licenses, sublicenses or other agreements with license fees that are less than five hundred dollars (\$500.00) and are not otherwise material to the Acquired Assets. Except as set forth in Schedule 5.9(c)(ii), the Seller has not modified any Third Party Materials.

(iii) The terms under which the Seller Uses the Freely Available Software in the Acquired Assets have not: (A) created, or purported to create, obligations of the Seller with respect to the Selectica Intellectual Property or (B) granted, or purported to grant, to any Person any rights to or immunities under the Selectica Intellectual property. In addition, neither the Seller nor its Affiliates have combined, or permitted others to combine, the Selectica Intellectual Property with programs licensed under the GNU General Public License (the "GPL"), or any other license with similar terms, in any manner that could cause, or could be interpreted or asserted to cause, the Selectica Intellectual Property or any modifications thereto to become subject to the terms of the GPL.

(iv) The Seller has not disclosed or delivered or agreed to disclose or deliver to any Person, or permitted the disclosure or delivery to any escrow agent or other Person, any source code relating to the Selectica Intellectual Property. No event has occurred, and no circumstance or condition exists, that, with or without notice or lapse of time, will, or could reasonably be expected to, result in the obligation of the Seller to disclose or deliver to any Person any source code relating to the Selectica Intellectual Property or release from escrow any Selectica Intellectual Property. Schedule 5.9(c)(iv) identifies each contract pursuant to which the Seller has deposited or is required to deposit with an escrow holder or any other Person any source code relating to the Selectica Intellectual Property, and further describes whether the execution of this Agreement or the consummation of the transactions contemplated herein could be expected to result in the release or disclosure of any such source code relating to the Selectica Intellectual Property or the release from escrow of any Selectica Intellectual Property.

(d) The Seller has taken reasonable security measures to safeguard and maintain the secrecy, confidentiality and value of, and its Intellectual Property Rights in, all of the Selectica Intellectual Property. All of the Selectica Intellectual Property (other than third party licensed-in software listed on Schedule 5.9(c)(ii)) has been solely developed by full-time employees (whether former or current) of Seller within the scope of his or her employment with Seller or by consultants with whom the Company has or had non-disclosure and inventions assignment agreements. Each of the current employees of Seller and each of the current and former consultants and/or independent contractors of Seller has signed an agreement with Seller granting Seller all intellectual property rights to the work performed and developed by such employee or consultant in substantially the form provided to Buyer. All employee (whether former or current) contribution or participation in the conception and development of the Selectica Intellectual Property on behalf of Seller constitutes work prepared by an employee within the scope of his or her employment in accordance with applicable federal and state law that has accorded Seller ownership of all tangible and intangible property thereby arising. None of the following individuals has made any claim to any ownership interest in any Selectica Intellectual Property as a result of having been involved in the development of such property while employed by or consulting to the Seller, or otherwise, where such ownership interest has not been assigned to the Seller: (i) each current and former officer, employee, consultant and contractor of the Seller, and (ii) any other Person with access to proprietary information about the Selectica Intellectual property.

(e) The execution and delivery of this Agreement by the Seller, the consummation of the transactions contemplated hereby and the transfer to the Buyer of the right to Use any Selectica Intellectual Property: (i) will not breach, violate or conflict with any Intellectual Property Rights or other rights of any kind of any third Person; (ii) except as set forth on Schedule 5.9(e), to the Seller's knowledge, will not cause the forfeiture or termination of any right to Use any Third Party Materials incorporated in or bundled with the Selectica Intellectual Property or Used in connection with the Acquired Assets, including the Configuration Platform; and (iii) will not in any way impair the right of the Buyer or any of its Affiliates to Use any Third Party Materials and the Configuration Platform in accordance with the terms of the license agreements pursuant to which such Third Party Materials and the Configuration Platform are licensed by the Seller. Seller represents and warrants that with respect to the Third Party Materials identified on Schedule 5.9(e) that are not transferable, if Buyer independently procures the right to versions of such materials as of the date hereof, use of such versions by Buyer with the Acquired Intellectual Property will not materially alter the functionality of the Acquired Intellectual Property as presently used in connection with the eInsurance Business.

(f) No third party has claimed or, to the knowledge of Seller, has reasonable cause to claim that any person employed by or engaged as an independent contractor by Seller with regard to the Acquired Assets, in connection with his or her employment or engagement by or affiliation with Seller: (i) has violated or is violating any of the terms or conditions of his or her employment, engagement, non-competition or non-disclosure agreement with such third party; (ii) has disclosed or is disclosing or has utilized or is utilizing any trade secret or proprietary information or documentation of such third party in connection with the Acquired Assets; or (iii) has interfered or is interfering in the employment relationship between such third party and any of its present or former employees. No third party has requested information from

Seller which suggests that such a claim might be contemplated. To Seller's knowledge, no person employed by, or engaged as an independent contractor or consultant by, Seller has, in connection with his or her work in developing any of the Selectica Intellectual Property, employed or proposes to employ any trade secret or any information or documentation proprietary of any former employer. To Seller's knowledge, no person employed by, or engaged as an independent contractor or consultant by, Seller has violated any confidential relationship that such person may have had with any third party in connection with the development, manufacture or sale of any Selectica Intellectual Property or products that are included in the eInsurance Business, and Seller has no reason to believe there will be any such employment or violation.

(g) There are no warranty claims in writing, including any threatened claims set forth in writing, related to the Selectica Intellectual Property and describes the nature of any such claims that are pending or were made in the past. To the Seller's knowledge, there is no basis for the assertion of any such claim. To Seller's knowledge, the Seller has not made any oral or written representations or warranties with respect to the Selectica Intellectual Property or the eInsurance Business, except in accordance with the terms of the customer-related written contracts listed on Schedule 5.11. To Seller's knowledge, neither the Acquired Assets, nor any commercially released version of the products that are included in the eInsurance Business sold or licensed by Seller to any Person, when and as delivered, will contain or has contained, any "back door," "time bomb," "Trojan horse," "worm," "drop dead device," "virus" or other software routines designed to permit unauthorized access or to disable or erase software, hardware or data without the consent of the user. The Acquired Assets have not, nor to the Seller's knowledge, have any products that are included in the eInsurance Business been, the subject of any recall or other similar action; and no event has occurred, and no condition or circumstance exists, that might, with or without notice or lapse of time, directly or indirectly give rise to or serve as a basis for any such recall or other similar action relating to any such Acquired Asset or product.

(j) With respect to the Selectica Intellectual Property, the Seller has not been in violation of, and each is presently in compliance with, the Export Administration Act of 1979, as amended, and all applicable regulations promulgated thereunder.

(k) Seller has delivered to Buyer all versions and copies of the Source Materials in the manner set forth on Schedule 5.9(k), except for: (i) one (1) copy of the Source Code which may be maintained by Seller solely for archival purposes and which may not be used by Seller or any third party for any other purpose whatsoever, and (ii) Source Code for the Acquired Assets consisting of the eAnalysis and Enterprise RateCenter software licensed by Buyer to Seller pursuant to the License-back Agreement; *provided* that (A) in the case of Maintenance Software that is commercially available, the Source Materials shall identify such software (including the version), but need not include a copy of such Maintenance Software; and (B) in the case of Maintenance Software that is not commercially available, the Source Materials shall include the executable version and source codes and technical documentation for such Maintenance Software. As of the Closing Date, all Source Materials shall be deemed to be the sole and exclusive property, and the confidential and proprietary information, of Buyer.

5.10. Broker. Seller has not retained, utilized or been represented by any broker, agent, finder or intermediary in connection with the negotiation or consummation of the transactions contemplated by this Agreement and the Transaction Documents.

5.11. Contracts. Schedule 5.11 sets forth a complete and accurate list of all contracts to which Seller is a party or is bound and to which any of the Acquired Assets is subject. As used in this Section 5.11, the word "contract" means and includes every agreement or understanding of any kind relating to the Acquired Assets, written or oral, which is legally enforceable by or against Seller, and specifically includes (a) contracts and other agreements with any current or former officer, director, employee, consultant or shareholder or any partnership, corporation, joint venture or any other entity in which any such person has an interest; (b) contracts and other agreements for the provision of services by Seller; (c) license or vendor, supplier or customer agreements; or (d) any other contract or other agreement whether or not made in the ordinary course of business. Seller has delivered to Buyer true, correct and complete copies of all such contracts, or, with respect to the NDA's, the form thereof, together with all modifications and supplements thereto. Seller has in all respects performed all obligations required to be performed by it to date under each such contract that is listed on Schedules 1.1(a), 1.1(e), 5.3, 5.9(a), 5.9(c)(ii), 5.9(c)(iv), 5.9(e) and 5.11 (other than with respect to the Client Services Contracts set forth on Schedule 5.11). Subject to obtaining any necessary consents by the other party or parties to any such contract, no contract that is listed on Schedule 1.1(a) includes any provision the effect of which may be to enlarge or accelerate any obligations of Buyer to be assumed thereunder or give additional rights to any other party thereto or will in any other way be affected by, or terminate or lapse by reason of, or be diminished in any material respect by, the transactions contemplated by this Agreement or the Transaction Documents.

5.12. Compensation of and Contracts with Employees. Except as set forth on Schedule 5.6, Seller does not have any employment agreement, written or oral, with any Critical Employee or Transition Employee, including any agreement to provide any bonus, severance or benefit to any such employee, except for any oral employment agreement that may be terminated by Seller "at will" and without payment of any penalty. Seller has no outstanding loans or advances to any Critical Employee or Transition Employee.

5.13. Taxes. Seller has timely and duly filed with the appropriate government agencies all Tax Returns required to be filed by it, and all such Tax Returns are true, correct and complete in all material respects. Seller has not waived or extended any statutory or other period of limitations relating to Taxes. Seller is not currently the beneficiary of any extension of time within which to file any Tax Return. There are no outstanding agreements or waivers that would extend the statutory period in which a taxing authority may assess or collect Taxes against Seller and for which there is a reasonable possibility that the Acquired Assets could be subject, or Buyer could be subject as a transferee or purchaser of, or successor to, the Acquired Assets or the eInsurance Business. All Taxes, assessments, fees and other governmental charges owed by Seller upon any of its properties, assets, revenues, income and franchises (whether or not shown on any Tax Return) have been paid and Seller will not be liable for any additional Taxes. Seller has withheld and timely paid all Taxes required to be withheld or paid by it in connection with amounts paid or owing to any employee, creditor, independent contractor or other third party. No federal Tax Return of Seller is currently under audit by the IRS, and no other Tax Return of

Seller is currently under audit by any other taxing authority. Neither the IRS nor any other taxing authority is now asserting or, to the knowledge of Seller, threatening to assert against Seller any deficiency or claim for additional Taxes or any other adjustment that would have an adverse effect on Seller. There exist no actual or, to the knowledge of Seller, proposed assessments of Taxes or tax liens by any taxing authority for which there is a reasonable possibility that the Acquired Assets could be subject, or for which Buyer could be liable as a transferee or purchaser of, or successor to, the Acquired Assets or the eInsurance Business. No Taxing authority in a jurisdiction in which Seller does not file Tax returns has ever made a claim that Seller was or might be subject to Taxation in that jurisdiction. The unpaid Taxes of Seller as of the date of its latest unaudited financial statements as filed with the SEC ("Financial Statements") did not exceed the reserve therefor shown on such Financial Statement. Each of Seller and Buyer hereby acknowledge that no Purchase Price adjustment will be made at the Closing. Seller hereby acknowledges that Buyer has made its determination that no Purchase Price adjustment is required solely based on the documents, contracts and agreements, including the modifications and supplements thereto, and any other information that has been delivered to or made available to Buyer prior to the Closing Date. Seller has delivered to Buyer true, correct and complete copies of all documents, contracts and agreements, together with all modifications and supplements thereto, and all other information that is necessary for Buyer to make its determination that no adjustment to the Purchase Price is required as described in this Section 5.14.

The execution and delivery by Buyer of this Agreement and the Transaction Documents and the consummation by Buyer of the transactions contemplated hereby and thereby will not: (a) violate or conflict with any provisions of the certificate of incorporation or By-Laws of Buyer, each as amended to date; or (b) constitute a violation of, or be in conflict with, constitute or create a default under, or result in the creation or imposition of any Encumbrance upon any property of Buyer pursuant to: (i) any contract, agreement or instrument to which Buyer is a party or by which Buyer or any of its properties is bound or to which Buyer or any of its properties is subject; or (ii) any statute, judgment, decree, order, regulation or rule of any court or governmental authority to which Buyer is subject.

7. CONDITIONS PRECEDENT TO BUYER'S OBLIGATIONS. The obligation of Buyer to consummate the Closing shall be subject to the satisfaction at or prior to the Closing of each of the following conditions (to the extent noncompliance is not waived in writing by Buyer).

7.1. Representations and Warranties True at Closing. The representations and warranties made by Seller in or pursuant to this Agreement and the Transaction Documents shall be true and correct at and as of the Closing Date.

There shall not have occurred any material change in the condition of the Acquired Assets, or any imposition of any laws, rules or regulations that would affect the condition of the Acquired Assets, including any filing of bankruptcy relating to Seller (whether voluntary or involuntary), any commencement of receivership (or similar proceedings) involving Seller, any general assignment for the benefit of creditors by Seller or any other similar proceeding involving Seller (whether voluntary or involuntary).

7.4. Seller's Certificate. Seller shall have delivered to Buyer in writing, at and as of the Closing, a certificate duly executed by the President or Chief Executive Officer of Seller, on behalf of Seller, in the form annexed to Schedule 4.2(a), certifying that the conditions in each of Sections 7.1, 7.2 and 7.3 have been satisfied.

7.9. No Litigation. No restraining order or injunction shall prevent the transactions contemplated by this Agreement and the Transaction Documents, and no action, suit or proceeding shall be pending or, to Seller's knowledge, threatened, before any court or administrative body in which it will be, or is, sought to restrain or prohibit or obtain damages or other relief in connection with this Agreement and the Transaction Documents or the consummation of the transactions contemplated hereby or thereby.

(a) The employees listed on Schedule 7.10 (the "Critical Employees") shall have satisfied Accenture's employment criteria and accepted the employment offers from

Accenture (in form and substance satisfactory to Accenture) on or prior to the Closing, including the execution of non-disclosure and inventions assignment agreements from each such employee, provided, however, that nothing in this Agreement shall be construed as a covenant by Seller that any such employee maintain his or her status as an employee of Accenture after the Closing.

(b) Accenture shall have contracted with Seller for the services of the Transition Employees (as defined in Section 9.4) on or prior to the Closing.

(c) Accenture shall have received (i) a true and accurate copy of the standard form of NDA Agreement that has been signed by all employees, consultants and other persons who have had access to or developed any of the Acquired Intellectual Property and a list of all such persons and (ii) signed copies of the NDA Agreements between Seller and each of the Critical Employees and the Transition Employees.

7.11. Consents of Third Parties. To the extent necessary, Seller shall have obtained the consent, in form and substance reasonably satisfactory to Buyer and Buyer's counsel, to the consummation of the transactions contemplated by this Agreement and the Transaction Documents from each third party to any contract under which such transactions would constitute a default, would diminish in any material respect the rights of Seller or Buyer, would accelerate obligations of Seller or Buyer, or would permit cancellation or prohibit the assignment of any such contract, provided that, with respect to third party software licenses obtained prior to the Closing Date, Seller shall deliver to Buyer the Novosoft license agreement.

7.12. Release of all Encumbrances. All liens and Encumbrances, if any, on the Acquired Assets shall have been discharged, terminated or otherwise released and paid-in-full.

8.2. Compliance with Covenants. Buyer shall have performed and complied with all of its obligations under this Agreement and the Transaction Documents that are to be performed or complied with by it at or prior to the Closing Date.

8.3. Closing Certificate. Buyer shall have delivered to Seller in writing, at and as of the Closing, a certificate duly executed by an officer of Buyer, in the form annexed to Schedule 4.2(b), to the effect that the conditions in each of Sections 8.1 and 8.2 have been satisfied.

8.5. Offers of Employment. Accenture shall have made contingent offers to employ the Critical Employees, provided, however, that nothing in this Agreement shall be construed to limit the right of Accenture to make an at-will employment offer to each such employee and maintain such person as an employee at-will after the Closing.

8.6. Consents of Third Parties. To the extent necessary, Buyer shall have obtained the consent, in form and substance reasonably satisfactory to Seller and Seller's counsel, to the consummation of the transactions contemplated by this Agreement and the Transaction Documents from each third party to any contract under which such transactions would constitute a default, would diminish in any material respect the rights of Seller or Buyer, would accelerate obligations of Seller or Buyer, or would permit cancellation or prohibit the assignment of any such contract.

9. CERTAIN COVENANTS; CONSENTS AND ASSIGNMENTS.

9.1. Confidential Information. Seller shall maintain the confidentiality of all confidential or proprietary information of Seller with respect to the Acquired Assets that have been assigned, transferred and sold to Buyer hereunder, other than any such information that is in the public domain prior to the date of this Agreement or thereafter comes into the public domain (unless any such information is in or becomes in the public domain due to action of Seller in violation of this Agreement) or as provided in the License-back Agreement. The foregoing shall not prohibit the use of such information as is required by applicable law, or as is necessary to prepare tax returns or other filings with governmental authorities, or to assert or protect any right of Seller under this Agreement. Notwithstanding anything herein to the contrary, each party (and its representatives, agents and employees) may consult any tax advisor regarding the tax treatment and tax structure of the transactions contemplated hereby and may disclose to any person, without limitation of any kind, the tax treatment and tax structure of the transactions contemplated hereby and all materials (including opinions or other tax analyses) that are provided relating to such treatment or structure.

9.2. Use of Name. Buyer is purchasing substantially all of Seller's rights in and to the following Trademarks, to the extent such trademarks exist: "eQuoting," "eEnrollment," "eAnalysis," "eRenew," "Foundation Services" and "Enterprise RateCenter" and, therefore, Seller shall not be entitled to use any of the foregoing Trademarks, or any variations thereof as corporate and business names or titles anywhere in the world from and after the Closing.

9.3 Consents to Assignment. Anything in this Agreement to the contrary notwithstanding, this Agreement shall not constitute an agreement by Seller to assign any contract or any other Acquired Assets or Assumed Liabilities, or any claim or right or any benefit arising thereunder or resulting therefrom, if an attempted assignment thereof, without the consent of a third party thereto, would constitute a default thereof or otherwise materially adversely affect the rights of Seller thereunder, it being understood that Buyer is not requesting, and has not requested, the assignment by Seller of any contract, or any other Acquired Assets or Assumed Liability, or any claim or right or any benefit arising thereunder or resulting therefrom, for which consent of the relevant third party has not been obtained. If any required third party consents have not been obtained, or if an attempted assignment of any Acquired Assets or Assumed Liabilities would be ineffective or would affect the rights thereunder so that Buyer would not receive substantially all such rights, Seller shall cooperate with Buyer, in all reasonable respects, but shall not be obligated to incur any liability with respect thereto, for a period of not more than thirty (30) days after the date hereof and at Buyer's sole expense, to provide to Buyer the benefits under any such contract or any other Acquired Assets or Assumed Liabilities, and Buyer shall have any claim or right, including enforcement for the benefit of Buyer, of any and all rights of Seller against a third party thereto arising out of the default or cancellation by such third party or otherwise; it being agreed however that such cooperation shall in no event represent an obligation of Seller, inter alia, to make or cause to be made any modification, addition or deletion to the Acquired Assets or to provide any assistance on technical matters related to the Acquired Assets, including, without limitation, telephone and/or on-site technical consultation or other consulting, programming, maintenance or development services.

9.4 Employees. Attached hereto as Schedule 9.4 is a list of Seller employees that in Buyer's discretion are important to the transfer and transition of the Acquired Assets, including without limitation the delivery of the Client License Agreements (the "Transition Employees"). Seller shall make the Transition Employees available for contract services to Accenture during the period commencing on the Closing Date and ending on the first anniversary of the Closing Date (the "Contract Service Period"), provided, however, that on or after the six month anniversary of the Closing Date, Accenture may reduce the number of Transition Employees providing contract services, in its sole discretion, by providing Seller with thirty (30) days prior written notice (the "Employee Notice") identifying the Transition Employee(s) whose contract services are no longer required. The effective date of termination (the "Termination Date") of the Transition Employee shall be set forth in the Employee Notice and shall not be less than thirty (30) days from the date of such Employee Notice. Accenture shall reimburse Seller at a rate of \$600 per day for each Transition Employee located in the United States and \$160 per day for such employees located in India during the Contract Service Period, provided, however, Accenture shall not be required to reimburse Seller for each Transition Employee whose contract services are no longer required as of the Termination Date of such employee. Seller shall be responsible for providing the Transition Employees with suitable office space, desks, storage, furniture and other normal office equipment support, including computer terminals, telephone service, postage, copying, typing, secretarial services and general office supplies which may be necessary in connection with such Transition Employee's performance of the applicable services. Each Transition Employee shall (including for tax purposes) remain the employee of Seller, or any of its respective Affiliates, during the Contract Service Period. Seller shall be responsible for the Transition Employees' tax withholdings, payment of salaries, unemployment insurance, workers' disability and compensation, social security contributions, and employee benefits such as vacation, sick pay, insurance, pension and profit-sharing benefits. Accenture shall own all intellectual property rights in all original written material including programs, listings and other documentation originated and prepared for Accenture by the Transition Employees during such period. Seller hereby acknowledges that at any time after the Closing Date, Accenture shall be free to make offers of employment to any Transition Employee or other employee of Seller engaged in the Business and such employee shall no longer be considered a Transition employee hereunder or an employee of Seller upon the hiring effective date by Accenture. Seller shall not interfere with Transition Employees becoming, or discourage such employees from becoming, or give such employees an incentive not to become, employees of Accenture. Accenture shall own all intellectual property rights in all original written material including software and other documentation originated and prepared for Buyer by the Critical Employees, the Transition Employees and any other Seller employees that are hired by Accenture from and after the Closing Date.

9.5. Seller Office Space. Seller hereby agrees to make its office space located in Chennai, India (the "Chennai Facility") available to at least fifteen (15) Accenture employees located at Accenture's office in Bangalore, India through and until the first anniversary of the Closing Date. Seller shall be responsible for providing such Accenture employees with suitable office space, desks, storage, furniture and other normal office equipment support, including computer terminals, telephone service, postage, copying, typing, secretarial services and general office supplies which may be necessary in connection with such employees responsibilities.

Accenture shall pay Seller \$500 per employee per month for the use of the Chennai Facility, provided, however, if Seller is unable to provide suitable office space, desks, storage, furniture or computer terminals, then such amount shall be reduced to \$450 per Accenture employee per month.

9.6. Non-Compete; Non-Solicitation. Seller agrees that it will not, nor will its Affiliates, for a period of five (5) years following the Closing: (a) create, develop or sell, in any manner, any software or other product or service that competes in the Accenture Field, (b) license or otherwise distribute in any manner, directly or indirectly, any software or other product or service (including, without limitation, the Configuration Platform) to any person or entity for use in the Accenture Field; (c) solicit, service, accept orders from, or otherwise have business contact with any person or entity who has, within the one-year period immediately prior to the Closing, been a customer (including, without limitation, a reseller or end user of products) of Seller in the Accenture Field, if such contact could directly or indirectly divert business from or adversely affect the business of Accenture with respect to the eInsurance Business; (d) solicit or encourage any officer, employee or consultant of Accenture who perform services relating to the Accenture Field, to leave its employ for employment by or with Seller or any competitor of Accenture; or (e) become a security holder that beneficially owns greater than five percent of, or become the holder of a contractual right to nominate a director of, a company that competes with Accenture, directly or indirectly, in products, market, or services relating to the Accenture Field. Further, Seller and its Affiliates will not, for a period of five (5) years following the Closing, solicit the employment of any employee of Accenture who knowingly works on eInsurance or hire any of the Critical Employees, Transition Employees or other Seller employees that are hired by Accenture from and after the Closing Date. Notwithstanding the foregoing, Seller may provide maintenance and other services to the following existing customers of Seller pursuant to existing contractual arrangements: Foundation Health Services, HealthMarket, Highmark, Humana, Blue Cross Blue Shield of Florida and Blue Shield of California, provided, however, that any custom services performed by Seller may improve or repair existing functionality, but not add additional functionality.

9.7. Software Integration. For the period commencing on the Closing Date and ending on the fourteenth calendar day thereafter, Seller hereby agrees to take reasonable steps to aid, and provide reasonable cooperation to Buyer for the purpose of re-bundling and integrating the Acquired Intellectual Property, including without limitation any software acquired or licensed by Buyer in connection with this Agreement.

9.8. PacifiCare Client License Agreement. Seller hereby acknowledges that the Client License Agreement by and between Seller and PacifiCare may not be assigned to Buyer in accordance with its terms. From and after the Closing Date, Seller hereby agrees to provide reasonable cooperation and to take reasonable steps, as requested by Buyer, to assist Buyer in its efforts to transition the rights and obligations under such Client License Agreement to Buyer in a manner and form satisfactory to Buyer.

9.9. Further Assurances. The parties agree to take such reasonable steps and execute such other and further documents as may be necessary or appropriate to cause the terms and conditions contained herein to be carried into effect. Without limiting the generality of the

foregoing, Seller agrees to provide reasonable cooperation at Buyer's reasonable request, and at Buyer's sole expense for the thirty (30) days immediately following the Closing in order to transition the Acquired Assets, the Assumed Liabilities and the Critical Employees to Buyer and/or Accenture.

9.10. Equitable Remedies. Seller agrees and acknowledges that Buyer will suffer irreparable injury and damage and cannot be reasonably or adequately compensated in monetary damages for the loss by Buyer of its benefits or rights under this Agreement as the result of a breach, default or violation by Seller of Seller's obligations under Sections 9.1, 9.2, 9.5, 9.6 or 9.9 of this Agreement. Accordingly, Buyer shall be entitled, in addition to all other remedies which may be available to it (including monetary damages), to injunctive and other available equitable relief, without bond, in any court of competent jurisdiction in the State of New York to prevent or otherwise restrain or terminate any actual or threatened breach, default or violation by Seller of its obligations under Sections 9.1, 9.2, 9.5, 9.6 or 9.9 of this Agreement or to enforce any such provision.

10. INDEMNIFICATION.

10.1 Indemnification by Seller. Seller agrees to indemnify and hold Buyer harmless from and with respect to any costs, losses, obligations, damages, lawsuits, deficiencies, claims, demands, and expenses arising out of third-party claims, including, without limitation, interest, penalties, costs of mitigation, defense or settlement (collectively, "Losses"), arising out of, resulting from or incident to: (i) any breach of any representation or warranty made by Seller in or pursuant to this Agreement or any Transaction Document; (ii) any breach of any covenant or agreement made by Seller in or pursuant to this Agreement or any Transaction Document; (iii) any claim that the Selectica Intellectual Property, or the reproduction, manufacturing, distribution, licensing, use, sublicensing or sale thereof, infringes or misappropriates any patent, copyright, trademark, trade secret or other intellectual property or other proprietary right of any Person; (iv) any Excluded Assets or Excluded Liabilities; and (v) any liability or obligation (other than the Assumed Liabilities) relating to the operation of the eInsurance Business prior to the Closing.

10.2. Limitations of Liability.

(a) Except for any amounts payable with respect to third party indemnification claims under Section 10.1(iii), (iv) or (v), except for breach by Selectica of its obligations under Section 9.2 or 9.6, and except for breach by any party of its confidentiality obligations, in no event shall either party be liable for consequential, special, incidental, indirect or punitive loss, damage or expenses (including, but not limited to, business interruption, lost business, or lost savings) even if it has been advised of their possible existence.

(b) In the event that any claims for indemnification are made under Section 10.1(i) or (ii) (but not including claims for breach of Selectica's obligations under Section 9.1 or 9.6 hereof), the Indemnifying Party (as defined in Section 10.3(a) below) will not be obligated to indemnify the Indemnified Party (as defined in Section 10.3(a) below) with respect to Losses in an amount greater than the Purchase Price.

10.3. Claims.

(a) In the event that any party hereto (the "Indemnified Party") desires to make a claim against another party hereto (the "Indemnifying Party", which term includes all indemnifying parties if more than one) in connection with any third-party litigation, arbitration, action, suit, proceeding, claim or demand at any time instituted against or made upon it for which it may seek indemnification hereunder (a "Third-Party Claim"), the Indemnified Party will promptly notify the Indemnifying Party of such Third-Party Claim and of its claims of indemnification with respect thereto; provided, that failure to promptly give such notice will not relieve the Indemnifying Party of its indemnification obligations under this section except to the extent, if any, that the Indemnifying Party has actually been prejudiced thereby.

(b) The Indemnifying Party will have the right to assume the defense of the Third-Party Claim with counsel of its choice reasonably satisfactory to the Indemnified Party by written notice to the Indemnified Party within twenty days after the Indemnifying Party has received notice of the Third-Party Claim; provided, however, that the Indemnifying Party must conduct the defense of the Third-Party Claim actively and diligently thereafter in order to preserve its rights in this regard; and, provided, further, that the Indemnified Party may retain separate co-counsel at its sole cost and expense and participate in the defense of the Third-Party Claim.

(c) The Indemnifying Party will not consent to the entry of any judgment or enter into any settlement with respect to the Third-Party Claim without the prior consent of the Indemnified Party (which will not be unreasonably withheld or delayed) unless the judgment or proposed settlement (i) includes an unconditional release of all liability of each Indemnified Party with respect to such Third-Party Claim and (ii) involves only the payment of money damages by the Indemnifying Party and does not impose an injunction or other equitable relief upon the Indemnified Party. So long as the Indemnifying Party has assumed and is conducting the defense of the Third-Party Claim in accordance with Section 10.3(b) above the Indemnified Party will not consent to the entry of any judgment or enter into any settlement with respect to the Third-Party Claim without the prior written consent of the Indemnifying Party (which consent will not be unreasonably withheld or delayed).

(d) In the event the Indemnifying Party fails to assume the defense of the Third-Party Claim in accordance with Section 10.3(b) above, (i) the Indemnified Party may defend against, and consent to the entry of any judgment or enter in any settlement with respect to, the Third-Party Claim in any manner it reasonably may deem appropriate (and the Indemnified Party need not consult with, or obtain any consent from, the Indemnifying Party in connection therewith) and (ii) the Indemnifying Party will remain responsible for any Damages the Indemnified Party may suffer as a result of such Third-Party Claim to the extent provided in this Article 10.

(e) In the event of any claims for indemnification under Section 10.1, the Indemnified Party shall advise the Indemnifying Party in writing of the amount and circumstances surrounding such claim. With respect to any claim for indemnification under

Section 10.1 that are liquidated, if within thirty days the Indemnifying Party has not contested such claim in writing, the Indemnifying Party will pay the full amount thereof within ten (10) days after the expiration of such period.

Schedule 5.9 (e)

1. E. Business Application Partner Software License Agreement between Actuate Corporation and Seller dated as of June 28,2002

2. Software License and Support Agreement between Novosoft Inc. and Seller dated as of June 21,2002

Buyer and Seller are entering into an agreement with Novosoft, Inc. concurrent with the execution of the Agreement permitting the transfer of the Novosoft software license from Seller to Buyer. Seller is entering into an agreement with Actuate, Inc., permitting the delivery of one copy of the Actuate Software to Buyer. Buyer is entering a separate agreement with Actuate to obtain a license to such Actuate Software.

The Configuration Platform contains software licensed from Actuate Corporation ("Actuate") and Tom Sawyer Software Corporation ("Tom Sawyer") pursuant to certain agreements with each (the "OEM Agreements"). The OEM Agreements permit Seller to copy these software programs only for sublicense to customers of Seller for such customers' internal business use. Pursuant to the Configuration License Agreement, Seller is licensing the Configuration Platform to Buyer for further sublicense to its customers. Accordingly, Seller requires the written consent of both Actuate and Tom Sawyer to enter into such transaction. Concurrent with the execution of this Agreement, Seller and Buyer are entering into agreements with both Tom Sawyer and Actuate to permit Seller to enter into the license transaction contemplated by the Configuration License Agreement and for Buyer to license the software separately from Tom Sawyer and Actuate.
